

Dear Teacher,

As you begin to get acquainted with the "12 Seeds Curriculum" – allow just a few words from the author.

This is a comprehensive, guided study that will equip your students with the ability to incorporate the character qualities taught into their faith journeys. Formatted in 18 complete lessons, this curriculum is suitable for all ages. It is designed to be flexible for Bible classes, small groups, youth groups, Christian School Bible classes, college dorm study groups or prison ministries. It can be easily adapted and then implemented anywhere. The text is written to be easily grasped at all levels of reading ability.

The curriculum has the following parts:

- The ***12 Seeds for Successful Relationships*** textbook
- A ***Teacher's Manual*** with clear and simple objectives and guidelines on how to prepare, teach, and apply each lesson.
- The ***Student Workbook*** containing pages for each lesson with fill-in questions, a Scripture Memory plan, application contracts, and a journal where participants respond to the scriptures connected to each seed.
- An allegory, ***"Transformational Adventures in the Land of the Twelve Seeds"*** included in the Teacher's Manual is read one chapter at a time throughout the study, to help class members see how the seeds can be applied in everyday life.

May God bless you as you communicate these strong Biblical truths to your students and may the "tilling of the soil" and the "planting of the seed" bring a great harvest of righteousness.

In the joy of serving Christ,

Patricia M. Malloy, BS; M Ed.

About The Author

Patricia Malloy has been involved in Christian Education in Minnesota and Wisconsin for nearly 25 years, and has taught Bible classes at all levels from elementary school through high school. In 1999 she authored ***Lightbearer's Christian Worldview Curriculum*** for Summit Ministries and recently wrote a twenty-lesson confirmation curriculum titled, ***Getting Closer to God***.

The 12 Seeds Bible Curriculum was written and "field tested" as Pat taught a middle school group of nine students in a Minneapolis Christian school during 2005-06. Students enjoyed the study and the Allegory, and during this school year these same students have already referenced it many times. It is the author's wish that it will bless your students, too, and that they will grow in Christ-likeness as they learn about planting the Twelve Seeds in their lives.
