12 GIFTS FROM GOD SOWN IN THE HEART SHARED IN LOVE

Preparing to Lead

- **Read through the 12 Seeds GIFTS OF LOVE** pages you'll be studying, highlighting sections that are especially meaningful to you. *Note:* you can use one or more pages for each class or discussion session. Each page is designed so it can be used alone if you wish.
- **Study the pages that you will be discussing.**
- Highlight sections of the text that you'd like to emphasize during your session.
- **Consider also using other training tools** that are available for free download at: www.12seeds.com

A suggested agenda for your first session

You may want to do some or all of the following:

1. **Make a statement of personal objectives.**
A suggested statement:
"Our purpose is to study the 12 Seeds as 12 gifts we can give others to build better relationships. Most people agree that relationships are important, yet few people ever actually study principles for good relationships. We'll be studying them together and discovering how to apply them in our lives."
2. **Ask questions to prime the discussion.**
Suggested questions:
"Why are relationships so important?"
"What are some of the qualities that contribute to good relationships?"
3. (optional) **Recite the 12 Seeds acrostic from memory.**
When you recite the 12 Seeds RELATIONSHIP acrostic in front of your group, it impresses upon group members that the principles are important and worth memorizing
4. **Distribute 12 Seeds GIFTS OF LOVE pages.**
5. **Go to #3 on the back of this sheet.**

A suggested agenda for ongoing sessions

Tip: ask volunteers to do some of these.

- Review** the 12 Seeds RELATIONSHIP acrostic (to your right), perhaps recite it together. This helps plant the principles in people's minds – principles that are often neglected in daily life. Also, review the previous session. Ask for any insights or experiences in applying what was studied in the last session.
- Announce the text to be studied in this session.**
- Ask a volunteer to read a portion of the text of GIFTS OF LOVE.**
- Discuss.** Ask good questions to stimulate discussion.

Some suggested questions:

“Any comments on that?”

“What does this mean to you?”

“Have you found this to be true in your life?”

“Have you ever had an experience like that?
Tell us about it.”

NOTE: Expect a lot of discussion in a 12 Seeds session. Encourage people to jot down notes from insights shared by other group members.

- Continue through the material**, rotating reading among volunteer readers, and then discussing.
- Assign the next pages** to be discussed in the next session.

NOTE: You may wish to rotate leadership of the discussion sessions among members of your group. If so, make a copy of this Leader-Mentor Guide for each volunteer leader.
